Congratulations on receiving your **Postman API Fundamentals Student Expert Badge!**

You can verify that your badge has been awarded by logging in to your [Canvas Backpack](#) using the same email you used for this course (maythanan_ladee@cmu.ac.th).

Share your badge with your network!

[Share on Twitter](#)

[Share on LinkedIn](#)

You can also download the certificate via [Canvas Badges Backpack](#) and use the same email you used in this course. Please note it can take up to 24 hours for your badge to appear in your backpack, so please wait a day if you don't see it

The screenshot shows a web browser window with a dark theme. At the top, there's a header bar with a user profile picture, the text "Postman API Fundamental Student Expert Certification | Task: Download your Certificate", and buttons for "Watch later" and "Share". The main content area features the "Postman API Fundamentals" logo in large, bold letters, surrounded by colorful confetti-like shapes. In the bottom right corner of the browser window, there are standard system status icons (battery, signal, etc.) and the text "18:59" and "12/1/2569".
